Dear Sir:-

Receipts for the past week were,-

15123 cattle, 2035 hogs and 786 sheep as compared with
10804 " 2336 " 1609 " for the previous week.

Trade this week was very draggy. Prices did not change very much on anything choice but were weaker on rough fat steers and medium to good cows. The bulk of the offerings were very medium and it was hard work to clean up. A few fancy steers sold from 5.50 to 6.00 with the bulk of best cattle 5.00 to 5.50. The biggest decline was in rough fat steers. These sold from 3.50 to 4.25 and looked much lower. Fancy light heifers 5.00 with choice heavy heifers 4.50. Medium killers 3.00 to 3.50. Cows lower, hard to get 4.00 for anything. Bulk of good killers 2.75 to 3.25. Bulls unchanged. A little better enquiry for calves. Milch cows and springers about the same as usual. Good cows \$40 to \$50, medium \$25 to \$35. The demand for feeding cattle eased off at the close of the week and prices, particularly on medium stuff, looked a little lower. We look for good receipts next week. Trade will depend largely on the way the southern markets open at the beginning of the week.

Hogs sold this week from 11.00 to 11.75 for selects with heavies and sows cut on the 11.00 basis. Heavies 240 to 300 cut 3.00, 300 to 400 cut 5.00, over 400 cut 6.00. Sows up to 300 cut 4.00, over 300 cut 6.00. Prospects .50 lower for next week.

Receipts of sheep and lambs were quite light and the good quality stuff was in demand. Choice lambs 8.00 to 9.00 Plain lambs 5.00 to 6.00. Choice yearlings 5.00 to 6.00. Fair quality heavy sheep 4.00. We beg to quote prices as follows:-
